BE IT FURTHER RESOLVED, that the Bradley County School Federal Projects Fund shall be in the budget approved for the separate projects within the fund by the Bradley County Board of Education, the Tennessee Department of Education and all applicable federal/state agencies.

SECTION 2. BE IT FURTHER RESOLVED, that there are also hereby appropriated certain portions of the commissions and fees for collecting taxes and licenses and for administering other funds which the Trustee, County Clerk, Circuit Court Clerk, Register, Sheriff and the Clerk and Master and their officially authorized deputies and assistants may severally be entitled to receive under State laws heretofore or hereafter enacted. Expenditures out of commissions, and/or fees collected by the Trustee, County Clerk, Circuit Court Clerk, Clerk and Master, Register and the Sheriff may be made for such purposes and in such amounts as may be authorized by existing law or by valid order of any court having power to make such appropriations. Any excess commission and/or fees collected over and above the expenditures duly and conclusively authorized shall be paid over to the Trustee and converted into the County General Fund as provided by law.

BE IT FURTHER RESOLVED, that if any fee officials, as enumerated in Tennessee Code Annotated, Section 8-22-101 operate under provisions of Tennessee Code Annotated, Section 8-22-104, provisions of the preceding paragraph shall not apply to those particular officials.

SECTION 3. BE IT FURTHER RESOLVED, that if the need shall arise, the Finance Committee may, with the approval of any official head of any department or division which may be affected, transfer any amount within any major appropriation category; however, for transfers between major appropriation categories within the same fund, the approval of the Board of County Commissioners must be obtained. The School Superintendent must obtain the approval of the Board of Education for all school department transfers.

One copy of such authorization shall be filed with the County Clerk, one copy with the Chairman of the Finance Committee, and one with each divisional or departmental head concerned. Aforesaid authorization shall clearly state the reasons for the transfer, but this provision shall in no case whatsoever be construed as authorizing transfer from one fund to another, but shall apply solely to transfers within a certain fund.

SECTION 4. BE IT FURTHER RESOLVED, that any appropriation made by this Resolution which covers the same purpose for which a specific appropriation is made by statute is made in lieu of but not in addition to said statutory appropriation. The salary, wages, or remuneration of each officer, employee, or agent of the County, shall not be in excess of the amounts authorized by existing law or as set forth in the estimate of expenditures which accompanies this resolution. Provided, however, that appropriations for such salaries, wages, or other remuneration hereby authorized shall in no case be construed as permitting expenditures for an office, agency, institution, division or department of the County in excess of the appropriation made herein for such office, agency, institution, division or department of the County. Such appropriation shall constitute the limit to the expenditures of any office, agency, institution, division or department for the year ending June 30, 2021. The aggregate expenditures for any item of appropriation shall in no instance be more than the amount herein appropriated for such item.

SECTION 5. BE IT FURTHER RESOLVED, that any Resolution which may hereafter be presented to the Board of County Commissioners providing for appropriations in addition to those made by this Budget Appropriation Resolution shall specifically provide sufficient revenue or other funds, actually to be provided during the fiscal year in which the expenditure is to be made, to meet such additional appropriation. Said appropriating Resolution shall be submitted to and approved by the State Director of Local Finance after its adoption as provided by Tennessee Code Annotated, Sections 9-11-101 through 9-11-119.

SECTION 6. BE IT FURTHER RESOLVED, that certain school funds which function as clearing accounts have been included in the revenue and appropriations for the year ending June 30, 2021 as a memorandum only. It is expressly understood that the County Board of Education may not create or incur expenditures from these funds above actual revenue of such funds. It is further directed that no transfers may be effected between these clearing accounts and the operating school funds accounts.

SECTION 7. BE IT FURTHER RESOLVED, that the County Mayor, and County Clerk are hereby authorized to borrow money on revenue anticipation notes, provided such notes are first approved by the Director of Local Finance, to pay for the expenses herein authorized until the taxes and other revenue for the fiscal year 2020-2021 have been collected, not exceeding 60% of the appropriations of each individual fund. The proceeds of loans for each individual fund shall be used only to pay the expenses and other requirements of the fund for which the loan is made and the loan shall be paid out of revenue of the fund for which money is borrowed. The notes evidencing the loans authorized under this section shall be issued under the authority of Title IX, Chapter 21, inclusive, Tennessee Code Annotated. Said notes shall be signed by the County Mayor and countersigned by the County Clerk and shall mature and be paid in full without renewal not later than June 30, 2021. As a courtesy, the County Commission shall be notified if borrowing occurs.

SECTION 8. BE IT FURTHER RESOLVED, that the delinquent County property taxes for the year 2019 and prior years and the interest and penalty thereon collected during the year ending June 30, 2021 shall be apportioned to the various County funds according to the subdivisions of the tax levy for the year 2019. The Clerk and Master and the Trustee are hereby authorized and directed to make such apportionment accordingly.

SECTION 9. BE IT FURTHER RESOLVED, that all unencumbered balances of appropriations remaining at the end of the fiscal year shall lapse and be of no further effect at the end of the fiscal year ending on June 30, 2021.

SECTION 10. BE IT FURTHER RESOLVED, that any Resolution or part of the Resolution which has hereto been passed by the Board of County Commissioners which is in conflict with any provision in this Resolution shall be and the same is hereby repealed.

SECTION 11. BE IT FURTHER RESOLVED, that this Resolution shall take effect from and after its passage and its provision shall be in force from and after July 1, 2020. This Resolution shall be spread upon the minutes of the Board of County Commissioners.

SECTION 12. BE IT FURTHER RESOLVED, that new major purchases or capital purchases approved under this budget or with prior year P.O.'s should be delayed until after January 1, 2021, except for emergency repair or replacement, due to the timing of revenue collections and to help with the cash flow of the County.

SECTION 13. BE IT FURTHER RESOLVED, that any percentage salary increases intended for all full-time Bradley County employees, include the General Officers of Bradley County not already budgeted under this Resolution to comply with Tennessee Code Annotated, Section 8-24-102.
