RESOLUTION 2019-_____

RESOLUTION FOR LOCAL GOVERNMENT PARTICIPATION IN THE ELECTRONIC MONITORING INDIGENCY FUND

WHEREAS, pursuant to Chapter 505 of the 2019 Public Acts, a local government shall have the option to participate in the Electronic Monitoring Indigency Fund (“EMIF”) relative to the payment of costs for eligible transdermal monitoring devices, other alternative drug and alcohol monitoring devices, and global positioning monitoring devices for its indigent defendants (collectively, “Devices”). Participation shall be demonstrated through a resolution legally adopted and approved by the Local Government’s legislative body accepting the liability associated with participation and containing the budgeted amount that the Local Government commits to its participation in the EMIF; and

WHEREAS, Bradley County (“Local Government”) desires to participate in the EMIF relative to the payment of costs associated with Devices until such time as the Local Government withdraws its participation in the EMIF; and

WHEREAS, the Local Government agrees that in order to participate in the EMIF for the payment of costs associated with Devices, it shall adopt this Resolution containing a budgeted amount for the upcoming fiscal year and sign a memorandum of understanding with the State of Tennessee (“State”) about the payment of costs; and

WHEREAS, through the memorandum of understanding between the Local Government and the State, the State may bill the Local Government for its budgeted amount by drawing from either the Local Government’s Local Government Investment Pool (“LGIP”) account or from a bank account designated by the Local Government for costs associated with Devices; and

WHEREAS, the State may also obtain money from participating Local Governments for costs associated with Devices from the Local Government’s state-shared taxes;

WHEREAS, through the Local Government’s participation and for the duration of its participation period, the Local Government will be responsible for fifty percent (50%) of the cost associated with Devices that have been ordered on or after July 1, 2019; and

WHEREAS, the Local Government understands through the execution of this document that the State will provide funds matching each Local Government’s budgeted amount for participation in the fund, subject to an appropriation by the State and the solvency of either or both of the accounts contained in the EMIF; and

WHEREAS, for each upcoming fiscal year, the Local Government agrees that it will work cooperatively with the State to develop its budgeted amount for participation in the fund prior to approval by the Local Government’s legislative body to determine if the State anticipates having sufficient funds to provide its fifty percent (50%) match; and

WHEREAS, for each year of participation subsequent to the Local Government’s initial participation year, and no later than a date certain established by the State Treasurer, the Local

Government shall notify the State Treasurer of the budgeted amount that is approved for its continued participation in the EMIF within thirty (30) days after the Local Government budget is approved by the local legislative body along with a copy of the approved budget; said budgeted amount shall appropriate the funds necessary for the Local Government to meet its liabilities; and

WHEREAS, to the extent that the Local Government does not pay its costs associated with Devices, the State will cease paying its portion of the costs, and the State will not approve any claims or pay any invoices on a going forward basis until such time that the Local Government has sufficient funds; and

WHEREAS, subject to applicable rules, policies, procedures and guidance from the State, a Local Government may amend its budget by reducing and not increasing its budgeted amount; and

WHEREAS, the Local Government shall be solely responsible for its liability in its EMIF participation as indicated in applicable laws, rules, this Resolution and Memorandum of Understanding; and

WHEREAS, should a Local Government withdraw its participation from the EMIF, the Local Government shall pay outstanding liabilities for Device invoices for claims that were approved during the period of time the Local Government participated in EMIF.

NOW, THEREFORE, BE IT RESOLVED by the Bradley County Legislative Body meeting in regular session at Cleveland, Tennessee, on this 21st day of October, 2019, that the Bradley County Legislative Body hereby authorizes the Local Government participation in EMIF with the Local Government being solely responsible for meeting the requirements, conditions, limitations and restrictions relative to the payment of its liabilities associated with participation in the EMIF. Subject: Electronic Monitoring Indigency Fund

Dear Mr. Conner:

The Bradley County Commission, our Judiciary, and our District Attorney General firmly believe in the effectiveness of electronic monitoring as an extra layer of accountability that helps shape the activities of those under some form of community supervision. We recognize the societal benefits of allowing non-violent offenders to serve their criminal justice sanctions while maintaining employment and contact with their families. Electronic monitoring is also a useful alternative to incarceration thereby helping to alleviate jail overcrowding. The confluence of our community leaders resulted in Bradley County emerging as a leader in electronic monitoring with three hundred seventy eight individuals monitored last year. We hoped our state legislators would recognize and appreciate our efforts to utilize every appropriate alternative sentencing option.

While electronic monitoring may be attractive to offenders with financial ability to exercise the monitoring option, we understand it can be ruinous for poor defendants. Bradley County appreciates the financial support of the state heretofore to monitor qualifying indigent participants. However, we vehemently question and oppose the decision of the state to announce the passage and immediate implementation of Public Chapter 505 in the eleventh hour of our local government budget process. With no advanced notice from our state leaders, we face a cost of \$90,000 this fiscal year to continue our current level of monitoring. The immediate passage and implementation of Public Chapter 505 forces Bradley County to either release monitored individuals on their own recognizance, to place them in the custody of our already overcrowded jail, or to not fully hold accountable future offenders.

Since receiving notice on May 31, 2019, that the General Assembly passed Public Chapter 505, we have learned there are built in delays from arrest to adjudication attributable solely to the state. A Tennessee Bureau of Investigation (TBI) memorandum on typical forensic services division turnaround time in June 2019, reports a blood alcohol takes up to six weeks while a drug chemistry takes up to thirty three weeks. Perhaps state and local governments might significantly reduce the funding for their cost sharing program for non-interlocking devices, if the state would adequately fund the TBI laboratories allowing for more expeditious examinations.

Earlier today, the Bradley County Commission passed the attached resolution to participate in the Electronic Monitoring Indigency Fund (EMIF) for the fiscal year 2020-2021 and committed an estimated budgeted amount of \$10,000 that will be used to fund its participation for the fiscal year beginning July 1, 2020. Clearly, this funding will not resolve the electronic monitoring issue we currently face nor will it fully fund the monitoring needs in our community during the next fiscal year.

The Bradley County Commission commends the Governor and General Assembly for their stewardship and a budget which yielded a \$600 million surplus. We sincerely hope the financial health of our state continues, but urge the Governor and Assembly to make wise decisions with respect to local governments and the burdens many of the budgetary changes have created and may potentially create for our counties. We, the Bradley County Commission, respectfully request the Governor and General Assembly continue to fully fund EMIF through June 30, 2020, for those counties opting in to the cost sharing program for fiscal year 2020-2021, and to extend the funding commitment deadline to December 31, 2019. Perhaps this extension would provide the proper notice many counties need to plan to participate in the program in the next budget year.

Sincerely,

Johnny Mull
