## Job description

We are looking for a trained paramedic to be part of our team of healthcare professionals attending primarily out-of-hospital medical incidents. The job isn't simple, but it is very rewarding. As an employee dealing mostly with emergencies you must be

committed and focused. To be effective in the job, the ideal candidate must be very competent and knowledgeable as well as self-motivated and compassionate. The goal is simply to contribute the best you can to help people in need and save lives.

## **Responsibilities**

- Operate ambulance equipment and respond to radio transmissions
- Lead and coordinate the team responding to an emergency
- Evaluate the patient's condition on the scene and perform preliminary diagnosis
- Attend to injuries or sudden illnesses by applying a variety of pre-hospital simple and advanced treatments (first aid, CPR, administering injections and oxygen etc.) or surgical procedures
- Use tech equipment and tools to stabilize patients or provide immediate treatment
- Monitor patient's condition en route to the hospital
- Collaborate with interested parties (police, firefighting unit, doctors etc.)
- Write and submit concrete and accurate reports on incidents
- Adhere to established medical protocols and procedures as well as legal guidelines and health and safety standards
- Keep abreast with new treatment and medical procedures through continuous training

## **Skills**

- Proven experience as a paramedic
- Knowledge of medical procedures, terminology, and medications
- Ability to stay calm and make the right decisions in adverse conditions
- Adaptable with a great deal of stamina
- Excellent working knowledge of medical equipment and devices
- Integrity and compassion towards human pain
- Valid driver's license with F endorsement

- High school diploma: Licensed Paramedic is a must
