Schedule of Work (expected start and completion dates)

1. I agree that I will comply with all Ordinances, laws, and County Policies regulating grading, land disturbance, erosion/sedimentation control, and stormwater management.
2. I agree to allow access to the property for inspection by Bradley County Inspectors.
3. All erosion/sedimentation control measures will be installed before land disturbance activities begin and will be properly maintained throughout the grading/land disturbing activities. I further agree to add or update any additional erosion/sedimentation control measures when requested by the Bradley County Inspectors.
4. I agree that I am responsible for any damage to any utilities, public right-of-way and County streets caused by this work.
5. I understand that it is my responsibility to contact the Bradley County Road Department regarding drain tile and driveway requirements or permitting prior to any work commencing.
6. I understand that it is my responsibility to contact the TN Department of Environment and Conservation for permitting of 1 acre or more of land disturbance, stream crossings, work near a stream, etc. 423- 634-5745
7. I understand that it is my responsibility to contact 811 and any utility company prior to work commencing.
