August 7, 2025

Honorable Gary Davis, Mayor
and Honorable Board of Commissioners
Bradley County
P.O. Box 1167
Cleveland, TN 37364

Dear Mayor Davis and Board of Commissioners:

This letter acknowledges receipt of a certified copy of the fiscal year 2026 budget.

We have reviewed the budget and have determined that projected revenues and other available funds are sufficient to meet anticipated expenditures. Our review of the budget is based solely on the information we have received. With regard to programs included in the budget such as education, roads, and corrections, we have not attempted to determine that the local government has complied with specific program statutes or guidelines, or with any financing requirements prescribed by any state or federal agency. Please note local officials are required to ensure the budget remains balanced throughout the fiscal year and that all maintenance of effort requirements are met – our office has not reviewed or approved any maintenance of effort programs in this budget. Budget amendments must be uploaded to our online portal for formal acknowledgement after they are approved by the local governing body (tn.gov/cot/budget-submissions).

This letter constitutes approval, by this office, for the County's fiscal year 2026 budget as adopted by the County Commission.

Budget Considerations

During our review of the budget we identified the following items for your attention.

Fund Balance Policy

During our review we noted that the General Purpose School Fund is budgeted to end the fiscal year with a fund balance that is less than two months of expenditures. We recommend the governing body adopt a fund balance policy for all fund types with a requirement to maintain not less than two months of the regular operating revenue or expenditures for operating funds. You may determine more than two months is appropriate and the nature of each fund will determine the appropriate minimum amount that should be maintained.

Bradley County
Budget Review Letter
August 7, 2025

Submission Process

The County submitted four separate "adoption" documents as part of the budget packet. If possible, next year please be sure to consolidate these required documents into a single pdf file when uploading your budget.

American Rescue Plan Spending

The governing body budgeted the use American Rescue Plan (ARP) funds. This budget approval is not an approval for the planned use of the ARP funds and the governing body, with the assistance of its attorney, should determine that the planned use complies with Federal regulations concerning the use of ARP funds. ARP funds spent contrary to Federal regulations must be returned.

ARP funds are non-recurring and should only be used for one-time expenses. When purchasing capital items, ongoing maintenance and operating expenses should be analyzed to show future demand on recurring revenues.

Commendation

We commend the governing body for adopting this year's budget prior to the beginning of the budget year. Timely adoption will result in better management of public dollars in the coming year by immediately instituting appropriate budgetary controls. Adopting the budget in a timely manner allows your financial staff more time to close the official accounting records and have those records available for audit no later than two months after the close of your fiscal year as required by Tenn. Code Ann. § 9-2-102.

If you should have questions or need assistance, please refer to our online resources or feel free to contact your financial analyst, William Wood, at 615.401.7893 or [redacted].

Sincerely,

Sheila A. Reed
